

Ground Gas Protection Tool Box available now!

WE'VE GOT GROUND GAS COVERED

Since the launch of guidance documents CIRIA C735, BS8485:2015 there is more focus on the quality of installations of gas membranes – don't get caught out – get the right tools for the job!

Each box includes;

- 45mm Silicone Seam roller
- 6mm Brass Penny Roller
- Heavy Duty Scissors
- 5m Tape Measure
- Permanent Marker Pen
